

SmartHealth Clinic Handbook

Services Offered

SmartHealth provides a comprehensive range of medical services including cardiology, orthopedics, general medicine, pediatrics, dermatology, neurology, gynecology, ophthalmology, ENT, and psychiatry. All departments operate from our main clinic. Specialist consultations are available by appointment only. We also offer physiotherapy, dietary counseling, and chronic disease management programs for diabetes, hypertension, and asthma.

Appointment Booking

Patients can book appointments through the SmartHealth online portal at smarthealth.com/book, by calling our helpline at 0300-1234567, via the SmartHealth mobile app, or by visiting the front desk in person. Online bookings are available 24 hours a day. Appointments must be scheduled at least 24 hours in advance. Walk-in consultations are available for general medicine only, subject to availability.

Clinic Hours

The main clinic is open Monday to Friday from 9am to 6pm and Saturday from 9am to 2pm. The clinic is closed on Sundays and all public holidays. The emergency helpline 0300-1234567 is available 24 hours a day, 7 days a week. The pharmacy on the ground floor is open Monday to Saturday from 8am to 8pm.

Consultation Fees

General medicine consultations are Rs. 500 per visit. Specialist consultations are Rs. 1500 per visit. Follow-up consultations within 7 days of the original visit are charged at Rs. 300. Diagnostic tests including blood work, X-rays, and ultrasounds are billed separately. A full fee schedule is available at the front desk and on the SmartHealth website.

Cancellation Policy

Patients must cancel or reschedule appointments at least 12 hours before the scheduled time. Cancellations made less than 12 hours in advance will incur a cancellation fee of Rs. 200. No-show appointments will be charged the full consultation fee. To cancel or reschedule, call 0300-1234567 or use the SmartHealth portal. Repeated no-shows may result in suspension of online booking privileges.

Emergency Services

SmartHealth does not provide emergency walk-in services. For medical emergencies please call 1122 or proceed to the nearest hospital emergency room. Our clinical staff can provide first aid and initial stabilization while emergency transport is arranged. The SmartHealth helpline can guide you to the nearest emergency facility.

Insurance and Billing

SmartHealth accepts all major health insurance plans including Jubilee Health, EFU Health, Adamjee Insurance, and State Life. Patients must present their insurance card and a valid ID at the front desk before consultation. Insurance claims are processed directly with the provider. Patients are responsible for any co-payments or non-covered services at the time of visit. Cash, debit, and credit card payments are accepted.

Patient Records

All patient records are stored securely in the SmartHealth electronic health system. Records are confidential and shared only with treating physicians and authorized staff. Patients may request a copy of their medical records by submitting a written request at the front desk with valid ID. Records are provided within 3 working days. SmartHealth retains records for a minimum of 7 years in compliance with healthcare regulations.

Pharmacy Services

The SmartHealth in-house pharmacy stocks a wide range of prescription and over-the-counter medications. Prescriptions issued by SmartHealth physicians are filled at a 10 percent discount. The pharmacy also offers home delivery for regular medication orders. For prescription refills, patients can submit requests via the SmartHealth portal or call the pharmacy directly at 0300-9876543.

Lab and Diagnostics

SmartHealth operates a fully equipped diagnostic laboratory offering complete blood count, liver function tests, kidney function tests, lipid profiles, thyroid panels, HbA1c, urine analysis, and culture tests. Radiology services include digital X-ray, ultrasound, and ECG. Results for routine tests are available within 24 hours. Urgent results are available within 4 hours. Reports can be accessed online through the patient portal.

Telemedicine Services

SmartHealth offers telemedicine consultations for follow-up visits, minor illnesses, prescription renewals, and health queries. Video consultations are available Monday to Saturday from 9am to 8pm. Telemedicine appointments are booked through the SmartHealth app. The fee for telemedicine consultations is Rs. 400 for general medicine and Rs. 1000 for specialists. Prescriptions from telemedicine consultations are sent electronically to the SmartHealth pharmacy.

Preventive Care Programs

SmartHealth offers annual health screening packages for adults and children. The adult package includes blood pressure check, blood sugar, cholesterol, complete blood count, kidney and liver function, chest X-ray, and physician consultation for Rs. 3500. The senior package includes all of the above plus ECG, bone density, and eye examination for Rs. 5500. Corporate wellness packages are available for companies of 50 or more employees.

Patient Rights and Responsibilities

Every patient has the right to respectful and dignified care, to be informed about their diagnosis and treatment options, to privacy and confidentiality, and to refuse treatment. Patients are responsible for providing accurate medical history, following treatment plans, arriving on time for appointments,

and treating staff with respect. SmartHealth has a zero tolerance policy for abusive or threatening behavior toward staff.

Feedback and Complaints

SmartHealth welcomes patient feedback to improve our services. Feedback forms are available at the front desk and on the SmartHealth website. Complaints can be submitted in writing to the Patient Relations Officer at the front desk or emailed to feedback@smarthealth.com. All complaints are acknowledged within 48 hours and resolved within 7 working days. Unresolved complaints may be escalated to the Pakistan Medical Commission.

COVID-19 and Infection Control

SmartHealth follows strict infection control protocols. All staff are required to wear masks in clinical areas. Hand sanitizer stations are available throughout the facility. Patients with respiratory symptoms are requested to wear a mask and inform the front desk on arrival. Patients who have tested positive for COVID-19 within the past 10 days should reschedule their appointment unless urgent. Telemedicine is recommended for patients with active infections.
